

Velpeau® Dorsafit® Comfort **NEW**

Orthosis for stabilisation of the lumbar spine.

COMFORT

Velpeau Dorsafit Comfort is a thin and light orthosis for stabilisation of the lumbar spine.¹⁻⁵

- stabilising effect thanks to the elastic fabric and the four integrated stays¹
- anatomical shape²
- mixed model*

* Please refer to the waist system

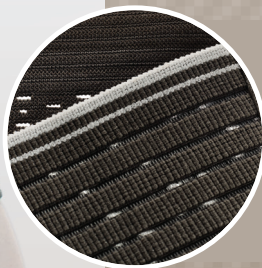

Mode of action

- four integrated stays contribute to stabilisation¹
- compressive effect from the elastic materials (> 350CN/cm^{***})

Easy use

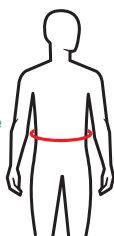

- easy-to-use closure system³
- ergonomic closure system to facilitate positioning⁴

Comfort

- soft and comfortable materials, designed to provide good wearing comfort⁵
- light fabric, thin and light materials for adapted humidity and temperature control⁶
