

Velpeau® Epi Comfort **NEW**

Active elbow support.

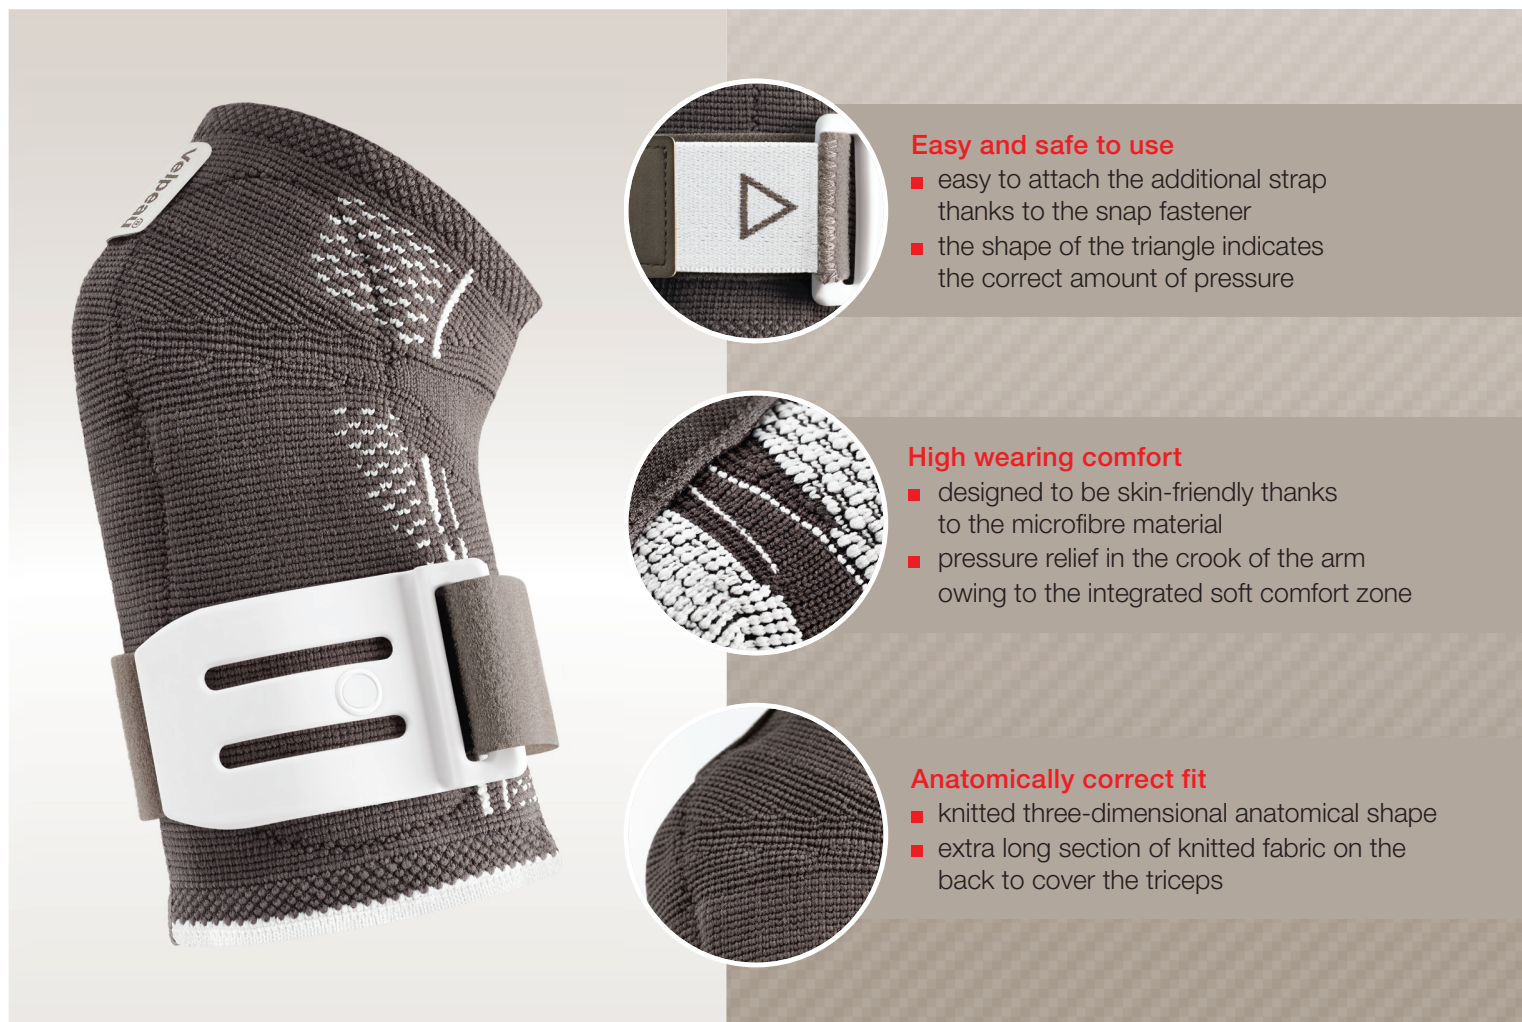

COMFORT

Velpeau Epi Comfort provides compression, has a massage effect and stimulates blood circulation in the extensor and flexor muscles of the forearm.

- triple-action therapy system
- selective pressure relief in the crook of the arm
- knitted three-dimensional anatomical shape

Easy and safe to use

- easy to attach the additional strap thanks to the snap fastener
- the shape of the triangle indicates the correct amount of pressure

High wearing comfort

- designed to be skin-friendly thanks to the microfibre material
- pressure relief in the crook of the arm owing to the integrated soft comfort zone

Anatomically correct fit

- knitted three-dimensional anatomical shape
- extra long section of knitted fabric on the back to cover the triceps

Velpeau® Epi Comfort

Active elbow support

Size	Arm circumference (cm)	REF	Shipping units (pcs.)
